

THE *BSU Report*

Where Have You Been?

BY MAKAYLA HAYS

We are proud of what we have accomplished this year, and are excited to see what we can achieve in the future. We want to thank everyone who has been involved in the Black Student Union, and encourage you to continue to be involved in the future. We have a lot of exciting things planned for next year. We will be hosting our annual Love Ball and Mister and Miss Black Student Union Pageant, which will be a great opportunity for black students from all over campus to come together and share their experiences.

Noite Rose

Noite Rose is the answer for those who want to be comfortable and inviting without being too forward. The simplistic meaning of Noite Rose is evening rose. We can all trace back to a time when we received a long stem at a romantic dinner, bouquet on a holiday, or petals when our partner greeted us at the door. No matter your unique experience, we all have one that evokes a feeling in us.
